

Thumbs Up For FSE!

Mrs. Weir, Mr. Smith & Staff at Fort Elementary,

I have to commend you and the staff at Fort Saskatchewan Elementary for keeping things running so smoothly and timely. You ensure your web pages are updated; agendas are always reviewed and updated, you keep parents informed with respect to the renovations or minor bus mishaps that happen after school. Your school is truly organized even when under construction.

As a parent, I feel completely spoiled sending my child to this school as it makes my job as a parent very easy.

Your scheduling, organizational and informative skills are valued; it really makes life easier for us at home. I thank you all for that. This school has raised the bar on my future expectations of other schools. I wish all schools were run this way.

Keep up the fabulous work!

What a wonderful, welcoming school! We so appreciated the "tour" and the atmosphere of integrity and respect. We are so pleased to have our children attend FSE.

My child loves grade three!

Thank you for encouraging my child to enjoy learning French! You have brought her happiness and inspiration for the past few years.
