

Dear FSE Families,

Thank you, for joining us for our FSE School Council and Parent Society AGM Meeting, Tuesday, September 15. I would like to extend a warm welcome back, to our FSE School Council and Parent Society Executive:

<b>FSE School Council and Parent Society Executive</b>	
Chair	Robyn Michaelchuk
Vice-Chair	Vacant
Secretary	Nicole Way
Treasurer	Caitlyn Zabrick

I would like to personally thank our Executives for their work in enhancing the school experience for our students.

I hope everyone enjoyed the opportunity to chat with staff and check out classrooms the week of September 14! Staff enjoyed the opportunity to connect with our families.

There are some important dates coming up for FSE students. Our school photos, for in school learners, will be held **Wednesday, September 23**. Online Learners, due to weather uncertainty, we invite you to book a time with Icon at [www.iconexp.com](http://www.iconexp.com). Once at the Icon site please go to Book Now.

FSE will be hosting our Terry Fox Run **Friday, September 25**. For the health and safety of staff and students, there will not be a donation collection, however families may choose to visit the [Terry Fox website](#) for donation suggestions. Visitors or volunteers cannot attend the Terry Fox Run. **On Wednesday, September 30** FSE will have their first virtual assembly, our FSE Orange Shirt Assembly. The Orange Shirt Assembly has a focus on honouring indigenous history as well as understanding the impact of residential schools. The assembly will begin at 9:00 a.m. Our grade 6 classes will be organizing and leading the assembly.

At FSE, we will begin the administration of the STAR and MIPI on **September 28** and will have these assessments completed by **October 2**. Our teaching staff will then use the information in their planning for student learning. The Division administers the STAR 360 and Math Intervention/Programming Instrument (MIPI) assessment tools for all in-school learners as part of Elk Island Public Schools' (EIPS) ongoing efforts to enhance the literacy and numeracy of students,

FSE and FSC now have video surveillance, for the safety of all. They are located at entrances and in the main hallways.

The Division is now accepting applications for fee waivers. Parents/guardians can find the form and information on the Division website, and the associated information on all school websites has also been updated. The deadline for receiving fee waiver applications is **December 15**. An extension will be granted for students transitioning from out-of-school learning to in-class learning and for families new to Elk Island Public Schools after December 15.

In Partnership with FSE Families,  
Jacqui Holmes, Principal
