Dear FSE Families,

As we head into Spring break, I wanted to take this opportunity to thank our school community for partnering with us to support our students. It is truly an honour and a privilege to work alongside our families and watch our students grow and learn during their very busy school days. It is hard to believe there are only three more months of school left and I am certain they will fly by as they always do.

Have your say! The 2022 EIPS Parent Survey Opens March 14-27

The annual [EIPS Parent Survey](#) is now open! Elk Island Public Schools (EIPS) wants to hear from you. Make sure to complete the 2022 EIPS Parent Survey—open from March 14-27.

Annually, EIPS conducts a parent survey to gauge its progress toward meeting the goals and priorities outlined in its [Four-Year Education Plan](#). Families are asked a series of

questions about their experiences with EIPS and the school their child attends, the overall performance of the Division, the quality of education being provided to students and areas for improvement. The survey feedback helps the Division develop new strategies to better serve students and the wider community.

Caregiver Education Series

The Caregiver Education Team is proud to offer free mental health programming for parents and caregivers of children and youth through our partnership with the [Mental Health Foundation](#). In response to the global pandemic, programming continues to be offered virtually at this time.
