Dear FSE Families,

This week, we have had some exciting, new events going on in our school. Thank you to our incredible team for the many ways that they support our FSE school community.

Kindergarten A invited families in for tea and showcased some of their amazing work. Kindergarten B took a walk to the local Co-op and were even given the opportunity to get behind the till.

Grade 5 and 6 Badminton Club started this week on Tuesday and Thursday during lunch recess in the gym.

Our 4/5C class were provided the opportunity to creatively develop their own business plans in the Junior Achievement program.

At the end of the week, we had a very successful whole-school fire drill. The students exited the building quickly and quietly and were respectful as they did so. Super proud of them!

The grade 6s have an eventful week coming up with classroom photos, a day trip to Birch Bay and the ELA PAT's.

Just a reminder that there is no school this coming Friday, May 19.

Please enjoy your weekend!

Sincerely,

Dustine Vicic
Acting Principal
Fort Saskatchewan Elementary School

I am excited to let you all know that FCSS has collaborated with Uncles and Aunts to offer a support group for Grandparents that Parent here in Fort Saskatchewan. An information session is being hosted on June 6th at the CN Station from 7-8pm for those who are interested in attending.

Treaty 6 and Metis Nation Flag Raising: June 13

If you've driven by EIPS Central Services recently, you may have noticed the addition of two new flag poles. As a further commitment on the path of truth-telling toward reconciliation, and as an affirmation as Treaty partners, EIPS will be raising the Treaty 6 and Métis Nation flag on June 13. Each school in the Division will also display the two flags and are busy planning staff professional development and student learning experiences to understand the significance of each flag. More information on the Central Services ceremony and the specific events at each school will be shared in the near future.
