 - i) Student Transportation Eligibility Change
 - (1) From 2.4km to 1.0km for K-6, 2.0km for 7-12, government has changed their mind again, criteria will be 1.6 K-6 and 2.0 for 7-12. Significant challenges, will be over a \$400,000 deficit in funding, families to be severely impacted. Approximately 690 students affected. \$400,000 will be a substantial increase to fee. \$75 eligible, \$150 in-eligible. Concern that boards are being made to be the bad guy, will be an increase in fees and a decrease in what they are able to provide. Letter to the minister with regards, symposium with the minister directly about the service disruption. Write a letter or talk to your MLA regarding this matter.
 - (2) ASCA conference is coming up – approved to sponsor the conference. Virtual this year, cost will be lower this year, anyone from the council can attend. Contact Emma at central for registration.
